

GRHHN COMMUNITY REFERRAL FOR CARE MANAGEMENT

Community Referrals for Health Home Care Management for Medicaid and dual eligible Medicaid/Medicare persons and Non Medicaid Mental Health Care Management for persons not Medicaid eligible and/or not eligible for Health Home Care Management are now being accepted from providers, community organizations, individuals and/or family members.

- Health Home Care Management is being provided by Greater Rochester Health Home Network (GRHHN) and other Health Homes for eligible Medicaid and Medicaid/Medicare dual eligible persons.
- Non Medicaid Mental Health Care Management is being triaged through the County Single Points of Contact (SPOA) or Office of Mental Health for individuals with a primary mental health diagnosis or children who are not eligible for Health Home Care Management. See Western Region SPOA list attached.

Individuals must meet all eligibility requirements to be considered for enrollment. Please check the type of care management the person qualifies for:

For ADULTS: Permission to Use and Disclose Confidential Information

By signing this Consent Form, you permit people involved in your care to share your health information so that your doctors and other providers can have a complete picture of your health and help you get better care. Your health records provide information about your illnesses, injuries, medicines and/or test results. Your records may include sensitive information, such as information about HIV status, mental health records, reproductive health records, drug and alcohol treatment, and genetic information.

If you permit disclosure, your health information will only be used to provide you with care management and related health and social services. This includes referral from one provider to another, consultation regarding care, provision of care management services, and coordination of care among providers. Your health information may be re-disclosed only as permitted by state and federal laws and regulations. These laws limit re-disclosure of information about your treatment at a substance abuse or mental health program, HIV related information, genetic records, and records of sexually transmitted illnesses.

Your choice to give or deny consent to disclose your health information will not be the basis for denial of health services or health insurance. You can withdraw your consent at any time by signing a Withdrawal of Consent Form and giving it to one of the providers listed in Attachment A. But anyone who receives information while your consent is in effect may retain it. Even if you withdraw your consent, they are not required to return your information or remove it from their records.

You are entitled to get a copy of this Consent Form after you sign it.
