FIDELIS CARE®

Centralized point of access for all requests: SMHealthHomeInquiry@fideliscare.org. The Health Home Inquiry Form is to be used for any and all inquiries for all Fidelis members by your CMAs. Requests submitted will be directed accordingly and, if needed, responded to as soon as possible. Process starts 10/14/19.

Important notes:

- All requests must be initiated using this form. There are required fields to be completed marked with an asterisk (*). Forms with missing required information will be returned and will not be processed.
- All Adult BH HCBS documents must continue to be sent to QHCMHARPBH@fideliscare.org. All Children's HCBS documents must continue to be sent to SM_Childrens_HCBS@fideliscare.org.
- Clinical care coordination will remain uninterrupted by this process. If Health Home Care Managers (HHCM) are in contact with Fidelis Care Management staff they should continue to reach out directly. If the Fidelis Care Manager is not known then HHCMS should use new Inquiry Form.
 - Call centers are still available and CMAs are still able to use general Health Home line: (888) 343-3547 ext. 16074. However, sending requests through inbox will provide the most expedient response.
- When requesting 'Clinical Discussion with MCO Care Manager', HHCMS should consider reason member is enrolled with HH and what type of care management assistance is needed from Fidelis: Medical vs Behavioral—this is required in order to be processed.
 - If member has both medical and behavioral health issues, indicate the *most* pressing.
- If requesting for multiple members, then each member must still be identified based on required fields.

Contacts at Fidelis for Health Homes and Care Management Agencies

Care Management Agency contacts:

- All general inquiries/requests from CMAs should be sent to SMHealthHomeInquiry@fideliscare.org.
 - We recommend including the Fidelis HH Inquiry form for any request to expedite process.

 - HARP-specific inquiries can also be directed to HARP queue at (888) 343-3547 ext.16077.

- All Children’s HCBS documentation must be sent to SM_Childrens_HCBS@fideliscare.org.
 - Children’s HCBS-specific inquiries can also be directed to Children’s MMC queue at (888) 343-3547 ext. 16879.
